

SHDHD staff Julia Sarmiento and Liz Chamberlain, along with staff from Central District Health Department, are trained on how to check cholesterol (Cholestech training provided by NE DHHS).

SHDHD Site Visit: Leadership Team - Kelly Derby, Michele Bever, Brooke Wolfe (remote) and Janis Johnson (taking the picture) - meet with Brianna Cochran (right), program coordinator in the Office of Community Health and Organizational Advancement, Division of Public Health, NE Dept of Health & Human Services.

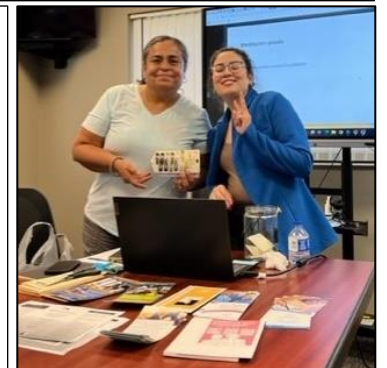

From Left: SHDHD's M. Bever, B. Wolfe, and J. Johnson join NALHD's Melanie Chapman at the Nebraska Governmental Public Health System Retreat on May 16 in Lincoln.

Above: Jayson Stoddard, HMS 7th grade science teacher and coordinator of the HMS garden, was guest presenter for a minority health Garden Night educational event in April, organized by minority health advisory group members. Participants also received seedlings, seed packets, and garden tools.

Above and Right: Zayra Navarrete, Bilingual Central Navigator for the Community IMPACT Network (United Way of Southcentral Nebraska), discusses stress and mental wellness, and shares selfcare kits and mental health resources at a meeting of SHDHD's minority health advisory group.

Brooke Wolfe and Jean Korth attended the Nebraska School Mental Health Conference, June 7-8 part of an initiative to promote strong mental health services in schools; to provide resources and training to increase access; and to promote early intervention and wrap around services for youth and families.

Strategy Planning

Prevention	Treatment	Recovery
Medical provider education	Opioid Use Disorder	Wrap-around services
Support and training for non-opioid pain treatment	Medications	Supportive services
Best practices for prescribers	Telemedicine	Peer support
Fund media campaigns	Mobile interventions	Social and legal services
Drug take-back disposal	Co-occurring	Transportation
Fund prevention programs in schools	Workforce initiatives	Faith-and community-based services
Create community-based education	Address needs of people involved in criminal justice	Recovery high schools

Director Michele Bever attended an Opioid Summit organized by Region 3 Behavioral Services for stakeholders to learn about risk factors and best practice interventions. Attendees also discussed current and desired community strategies to address substance misuse concerns. Opioid settlement funds will be available to communities and organizations through a grant process being set up by Region 3.

The Pair of ACEs

Adverse Childhood Experiences

Ellis, W., Dietz, W. (2017) A New Framework for Addressing Adverse Childhood and Community Experiences: The Building Community Resilience (BCR) Model. *Academic Pediatrics*. 17 (2017) pp. S86-S93. DOI information: 10.1016/j.acap.2016.12.011

Left: Liz Chamberlain and Pam Stomer add a timely message to the signboard at the health department.

In preparation for reaccreditation Janis Johnson, our Standards & Performance Manager, led staff in a “reflection” of Domain 9 of the Standards & Measures (Performance Management and Quality Improvement). Janis summarized the results this reflection for SHDHD’s third annual accreditation report to the Public Health Accreditation Board (PHAB) and submitted
