South Heartland's Guiding Principles:

- We are committed to the principles of public health and strive to be a credible, collaborative and stable resource in our communities.
- We seek to perform our duties in a courteous, efficient and effective manner within the limits of sound fiscal responsibility.
- We work together to create a positive environment, listening carefully and treating everyone with honesty, sensitivity, and respect.

Board of Health Principles* of Good Faith:

- Regularly attend and actively participate in board of health and committee meetings. If unable to attend, be able to provide a valid excuse for absence.
- Ensure that time at board of health meetings is set aside for updates on public health problems and what the health department is doing, or needs to do, in regard to such challenges.
- Have a thorough knowledge of the duties and provisions found in the bylaws and charter of the organization.
- Involve others in health department functions and funding efforts, special events, and activities to promote and support programs and services.
- Heed corporate affairs and keep informed of the central activities and operations of programs.
- Support majority opinions of the board.
- Advocate for public health by communicating regularly with community leaders and elected officials about perceived needs and possible resources.
- Ensure minimum statutory or technical requirements are met regarding filing annual report, withholding employee taxes, etc.
- Record personal conduct and register dissents in the minutes, or by letter.
- Avoid any semblance of self-dealing or enrichment; discourage any business transactions between directors and the organization.
- Accept no pecuniary profits except that which is expressly provided in compensation or reimbursement within the bylaws or laws of the city, county, and state.

South Heartland District Health Department Strategic Plan 2013 - 2017

Vision: Healthy people in healthy communities

Mission: The South Heartland District Health Department is dedicated to preserving and improving the health of residents of Adams, Clay, Nuckolls and Webster counties. We work with local partners to develop and implement a *Community Health Improvement Plan* and to provide other public health services mandated by Nebraska state statutes.

Guiding Principles:

- ❖ We are committed to the principles of public health and strive to be a credible, collaborative and stable resource in our communities.
- ❖ We seek to perform our duties in a courteous, efficient and effective manner within the limits of sound fiscal responsibility.
- ❖ We work together to create a positive environment, listening carefully and treating everyone with honesty, sensitivity, and respect.

Goals and Priority Activities:

- 1. Provide leadership implementing the *Community Health Improvement Plan (CHIP)***
 - A. Monitor implementation of the plan and success achieving targeted outcomes, encouraging the use of evidence-based practices and reliable, accurate and timely measures and data
 - B. Work with partners to raise the visibility of the plan in our communities
- 2. Increase community engagement in the work of the South Heartland District Health Department (SHDHD)**
 - A. Identify “hearts/hubs” of small communities (places, events, and community leaders) and engage with them to collect feedback about health needs as well as to promote programs
 - B. Maximize the impact of board meetings by selecting visible community meeting sites, including a “Public Comment” agenda item and personally inviting local leaders to share their perspectives
 - C. Send clear, concise information to elected community officials on important public health legislation/issues at least once a year
- 3. Increase the Board’s capacity to perform core functions of public health governance**
 - A. Assess board members’ strengths, expertise and connections and use them effectively to further the work of the SHDHD
 - B. Provide brief training sessions at the end of three regularly scheduled board meetings and require members to participate in at least two training sessions per year
- 4. Assure sufficient resources to provide services**
 - A. Monitor legislative actions that could reduce Health Care cash fund and changes in funding streams related to the Affordable Care Act and other federal and state mandates
 - B. Continue focus on quality improvement and increasing operational efficiencies while providing staff and board members with the tools and training needed to do their work
 - C. Monitor SHDHD programs and services to identify where changes need to be made (reductions or expansions)
 - D. Assess sustainability when evaluating growth opportunities
